About The Breakers Palm Beach

One of America’s legendary resort destinations, this 538-room, Italian Renaissance-style hotel was founded in 1896, and resides on 140 acres of oceanfront property in the heart of Palm Beach. Renowned for its gracious service and unforgettable seaside glamour, The Breakers indulges its clientele, whether couples on a romantic getaway, multi-generational travelers on a family vacation or large gatherings in celebration. The resorts’ timeless atmosphere – from its magnificent interiors to its artfully designed landscape -- has been renewed in a style of relaxed elegance. Thanks to the dedication of its longstanding family ownership (heirs of founder Henry Flagler), the iconic destination continues to thrive independent of chain affiliation, re-investing over $30 million each year in capital improvements and ongoing revitalization. This extraordinary commitment balances preservation and modernization, continuously introducing and transforming amenities to bolster its contemporary appeal, such as the debut of Flagler Club, an ultra-luxury boutique hotel nestled atop the resort and the renovation of the Seafood Bar, reopened in December 2016 following a complete transformation.

The Breakers features a world-class oceanfront experience complete with a half-mile of private beach, four pools, private poolside bungalows for daytime rental, five whirlpool spas, and a variety of on-site watersports. Additional amenities include 36 holes of championship golf, including the Ocean Course and The Breakers Rees Jones® Course; 10 Har-Tru tennis courts; a new luxury spa and indoor-outdoor oceanfront fitness center; a Family Entertainment Center; and an extensive program of family and children’s activities. Nine restaurants, with settings ranging from casual beachfront to stylishly sophisticated, including HMF, the resort’s destination for social
drinking and eating; as well as an array of on-site boutiques, are all owned and managed by the resort. The Breakers is recognized as a AAA Five Diamond property and has earned numerous accolades for its extraordinary social responsibility to the environment, the community and its team member quality of life and satisfaction.
